Spring / Summer 2024

RE: Kalispell Lakers Baseball Corporate Sponsorship

Dear Kalispell Lakers Baseball Sponsor,

Hello, my name is _____**;** I am _____ years old and will be playing this year for the Kalispell Lakers Baseball team. Since 1970, the Lakers have been Kalispell's "High-School" baseball team. Montana does not have official high school baseball, so we play in the American Legion Baseball Program and compete against teams from Montana, surrounding states and Canada. Montana's state champion advances to a regional tournament and could play in the American Legion World Series, hosted every year in Shelby, North Carolina.

The Lakers are a 501(c)3 Non-profit organization, ran by a board of community volunteers. Every year, our program asks our community businesses to help offset the expenses of our baseball season, by way of corporate sponsorship and advertising. Our program is entirely funded by corporate sponsorships, fundraisers, donations and family paid fees.

There are several sponsorship levels available and I would be happy to discuss these options with you. You can be a corporate sponsor for as little as $200, or you can be a Grand Slam sponsor for $2,500. Our most popular option is $500 which includes a business sign banner placed on the outfield fence line of our fields. 100% of corporate sponsorships goes towards our player fee.

Whether it is a $50 family pass or a sponsorship, I am very grateful for any support. Participating in this program not only helps me play the best baseball in the area, but it also provides me the opportunity to grow as a person. We team with other local organizations and businesses for other service projects as well. All of this helps me to better understand our community and be a better citizen.

Thank you for taking the time to read this letter and I hope to hear from you. The Lakers play baseball locally at Griffin Field along Airport Road and I would like to invite you to stop by and watch a game if you can.

Sincerely,

Name:_____
