1966 Kalispell Legion Team

From Pete Wilke:

top row, middle three, Tim Gallagher, Greg Burham and me. Coach's first name was Pete (top row right). Middle row Gary Vernon on the left, Corky Andrews and Steve Moen. I want to say Terry Fry 2nd row right, but I'm not sure. Bottom row on the left Doug Bitney and I can't say for the others. We weren't the best team, but we had a lot of fun. Played on a field behind Buttrey Foods if memory serves. Don Engelbach and Art Cunningham aren't pictured. Corky was our best player, hit 3 HR in a game down in Missoula!

* Very limited Inter Lake coverage. These were the only names mentioned April thru July.

**This is the first year the Lakers fielded two teams. The state Legion classifications were then called "A" and "B", hence the young team was referred to as the Lakers "Bees". The classifications were later upgraded to "AA" and "A" so, for consistency, we will call the young Lakers "A".

***1987 NOTES: Walter H. Griffin, Mayor of Kalispell 1896-1902 & 1906-1908, died in 1924. Griffin Field was donated to the City February 24, 1926 by Robert & Hulda Griffin & Theresa Foot. Baseball lights were installed in 19.70. New Griffin Field at Begg Park opened July 25, 1987.
